PROGRAM CONTENT

Main Program Activities:

1. In-class lectures

The in-class lectures will be delivered by prominent scholars from various fields: Engineering, Social and Political Sciences, Law, Humanities, Public Health, Economics & Business, and Mathematics & Sciences.

2. Internship/Field Study

Short internship/field study will take place at offices or institutions that are related to the topic of the program. This internship/field study is provided to enable participants in obtaining first-hand experience about contemporary issues on related topics from various sectors.

3. FGD dan Presentation

FGD and presentation sessions will be one of the assessment tools to review participants' learning outcomes. The assigned lecturer will review each participant for both individual and group performance.

4. Language and Cultural Sessions

Language and cultural exposures are provided for participants to experience cultural diversities and similarities between the participant's origin country and host country's culture. Participants would get the opportunity to learn language and traditional culture of the host country, including cultural activities such as cultural trips to explore traditional cuisine, performance, or music.

PROGRAM FEE

Program fee is 500 USD* per person, which includes airport transfer on departure and arrival, meals during the program (excluding dinner), program materials, certificate of participation, and cultural activities during the program.

SCHOLARSHIP

Universitas Indonesia is pleased to provide scholarships to those students nominated by AUA member universities, including:

1. free accommodation and program fee waiver for the 1st nominated student
2. free accommodation for the 2nd nominated student
