USIM S-CARD

- Functions are the same as a card-type S-CARD (ID).
- It is simultaneously issued when Mobile S-CARD is issued.
- It works even when the phone is off.
- Only Android phones and three mobile service companies (SK telecom, LG U+, KT) users can use a USIM S-CARD. iPhone users are not available.

The S-CARD application(app) will be integrated into the SNU app on March 1st, 2019.
Former the S-CARD app will be closed on April 1st 2019.
