**Notes for Changes of Course Registration**

(★ Scanning manual and trying out pre-course registration is highly recommended)

1) **Time:** Course cart shopping starts at **09:00 AM**
   First-come-first-served course registration starts at **08:30 AM**

2) **Course registration based on student Id (odd/even number) is no longer in use.**

3) **Course registration system**
   a) Course cart shopping  ※ Course cart shopping is not first-come-first-served basis.
   b) Course cart confirmation (by Office of Academic Affairs)
   c) First-come-first-served course registration

4) **Available after cancellation (vacancies) registration**
   a) If a course is marked ‘Available after cancellation’, registration is available 3 times each day in designated times.

   b) It is applied during course registration (day 4-6) & course registration change period

5) **Quota exceeding course registration request (Previously ‘Override form’)**
   a) Student’s online request in CRS
   b) Instructor’s approval/rejection
   c) Student’s registration confirmation in CRS
   ※ If students don’t confirm registration, courses will not be registered.

6) **Freshmen**
   a) All students who entered SNU March 2021
   b) Students who entered SNU before 2021, but don’t have any grades of spring/fall semester due to leave of absence, etc.
1. CRS(Course Registration System) URL
- Address: http://sugang.snu.ac.kr
- Login(ID & Password): mySNU ID & Password

2. How to Find CRS ID & Password

<CRS Main Page>
- Click [Find ID/Password]
- Find ID
  - Enter Name & Birthday (8-digit) (Ex: 20000101)
  - Authentication
    - Mobile/authentication certificate/
    - SMS/ E-mail(Registered in mySNU)
- Find password
  - Enter mysnu ID
  - Authentication
    - Mobile/authentication certificate/
    - SMS/ E-mail(Registered in mySNU)

* Please register cell phone number and private e-mail address for authentication
Visit mySNU > Information Systems of SNU > my information > change personal information

- In case you know your previous password,
  - Information Systems of SNU > my information > change personal information
- If you forget password: students can change password without knowing previous password.
  Previous password can't be identified due to security reasons.

3. Preliminary Course Registration (Pre-course Registration = Registration Test)
- Opportunity for students to practice and get used to course registration
- Chance for students to predict demands for each courses
  ※ Registered courses in preliminary course registration are invalid
    Only courses registered in actual course registration are valid
4. Steps for Course Registration
- Register courses in CRS (http://sugang.snu.ac.kr) during given period in each semester.
- Check your result in Course Registration or Course Registration List.

5. User’s Personal Information for Course Registration
- Log in CRS > Click ‘User Information’ on the right top
- Information: Personal Information (College and Department), Academic year *
  - Maximum credits, Grades of previous 2 semesters
  - * Academic year: Academic year which applies in Course Registration
  (Ex) Students with no grades = Freshmen = Academic year “1”
  After every 2 semesters (with grades). Academic year is counted

6. Credits for Course Registration
- Log in CRS > Click ‘User Information’ on the right top
- Maximum Credits for Course Registration follows Academic Rules of each department
- Conditions for 21-credit-course registration
  1) Departments where Maximum credits are 18 credits
  2) If students’ average GPA of previous 2 semesters are 3.3 and over, students can register up to 21 credits.
     - * Grades of Summer/Winter Sessions are excluded.
     - * Average GPA of Grades of previous 2 semesters includes first grade of retaken courses
- Freshmen taking following courses can register over 18 credits (Up to 2 semesters): Freshman Seminars (053.001), Basic Calculus 1 (033.016), Basic Physics 1 (034.012), Basic Chemistry 1 (034.025), Basic Biology 1 (034.034)
- Domestic exchange students
  - Total credits registered in students’ university and exchange university should not exceed maximum credits
- Remote learning
  - Maximum 6 credits for each semester
  - Remote learning courses will be marked ‘○’

Minimum Credits for Course Registration
- Spring and Fall semester: 0 Credit (Enrollment without registration is possible)
- Exceeding Semester (Exceeding Length of Studentship): Minimum 1 credit
  ※ In this case, students who don’t register any course or withdraw all courses will be expelled.
7. **Course Counselling**
- Department: College of Engineering & Graduate School for Engineering Practice
- Subjects: Undergraduates and Graduates who are enrolled or are going to get back to school
  - Undergraduates: Undergraduates of 11 departments of College of Engineering
  - Graduates: Graduates of Industrial Engineering (Except TEMEP, Technology Management, Economics, Policy Program), All Graduates in Graduate School for Engineering Practice
- Course Counselling: Students should apply for course counselling following instructions from each department. (If there’s no counselling, registrations are restricted.)

8. **Cheating Course Registration**
- Students attempting inappropriate course registration such as using MACRO will be punished.
  (According to Article 107 of Academic Rule, Student Disciplinary Procedures)
- Students who trade or hand over courses will be also punished as well.

9. **Course Information**
- CRS > Course Search > Click a course title > Course Details (Login is not necessary)
  - Search all courses: click magnifier (search) button
  - Search courses with conditions: simple/advanced search (next to search button)
  - Save as excel file: Click [Excel] and save search result as a file.
- Information for Course Registration: Check Course Restriction, Alternatives, etc.
Note for Course Registration

1. Cross-Registering courses among Undergraduates and Graduates
   ○ Juniors and seniors of undergraduates can register graduate courses. Graduate courses can be acknowledged as major course.
     ▶ If Freshmen and sophomores register graduate courses, grades will be marked in transcript but will not be calculated as valid credits for undergraduate graduation.
   ○ Graduates can register undergraduate courses.
     ▶ Maximum 6 credits can be acknowledged for Masters and Doctors students.
     * Students should inquire their college and department and get approval of dean of the department or Head of major.
   ○ Repeating Courses
     ▶ Masters students can repeat courses they took previously as undergraduates.
     ▶ PhD students can repeat courses they took previously as Masters students.
     ▶ However, repeated courses cannot be acknowledged as graduation credits.

2. Retaking Courses
   ○ Standard for retaking courses (For undergraduates): courses graded C+ and below (C+~F)
   ○ Retaken course grade limitation (For undergraduates): Maximum “A0”
     (However, if a course is first taken before 2015, students can get “A+” as retaken course grade for only once.
     ※ Graduate can retake graduate courses regardless of first grade.
   ○ Retaking 2020 Winter session courses
     ▶ If students retake same courses that they had taken in Winter session, students should register courses within course change period (March 2 ~ March 8 (Tue ~ Mon)) in order to get acknowledgement for retaken courses.
     ▶ If courses are not acknowledged as retaken, students’ department can correct course classification and get acknowledgment of retaken course during March 2 (First day of class) ~ March 25 (1/4 of Class days)
3. Overlapping Course Requirements

- In principle, students cannot overlap courses in registration.
- However, if students inevitably have to overlap courses, follow this guideline.
  1) Register a course (which will be overlapped with the other course)
  2) Get approval from all instructors of overlapped courses by email
  3) Download format from Student Notice in mySNU
  4) Submit request form for overlapping courses to Office of Academic Affairs by email
     (If students couldn’t register any of courses, get instructors approval for quota-exceeding registration in
     email and attach the content additionally.)
※ Deadline: (1st) Feb 4(Thu) ~ Feb 5(Fri)/ (2nd) March 10(Wed) ~ March 11(Thu)

4. Course Registration Change Period (March 2 ~ March 8 (Tue-Mon))

- Course registration change:
  students can change (register and delete) courses from registration list in CRS.

- ‘Available after cancellation’ course registration:
  vacancies can be registered 3 designated times each day
  (Click the icon ‘Available after cancellation’ and check designated times)

5. Quota Exceeding Course Registration Request

<table>
<thead>
<tr>
<th>Schedule</th>
<th>Process</th>
<th>Date</th>
<th>Time</th>
<th>Object</th>
</tr>
</thead>
<tbody>
<tr>
<td>Quota exceeding course</td>
<td>Student’s request</td>
<td>March 2 ~ March 8</td>

<td></td>
<td></td>
</tr>
</tbody>
</table>

- 3-step process (Previous ‘Over-ride’ form, Course registration adjustment’)
  1) Student’s request - 2) Instructor’s approval - 3) Student’s registration confirmation

- CRS → Course registration menu → Quota exceeding course registration request
- Please save courses of Interest before requesting for quota exceeding registration
- If students don't confirm registration, course will not be registered.

6. Course Registration for Students with Disabilities

- Student with disabilities are able to register courses even the course quota is exceeded.
### Major Courses with Extra conditions for Registration

#### Courses with Extra Registration Schedule

- Registration will be deleted in following cases
  - Students who are double major in, minor in following majors, or interdisciplinary program students register courses apart from designated date
  - Students with other major register ‘major requisite’ courses of Business/Psychology as ‘elective general’.

<table>
<thead>
<tr>
