About the Award

The Mitacs Globalink Research Award provides $6,000 for senior undergraduate and graduate students and postdoctoral fellows in select Mitacs partner countries to conduct 12–24-week research projects at a Canadian university.

This is a competitive opportunity and a limited number of awards are available.

How to Apply

1. Review all eligibility and award guidelines
2. Collect all required signatures on sections 6 and 7 of the application form: intern, home supervising professor, host supervising professor and Canadian university office. Signatures can be electronic or a scanned image. Contact Mitacs at international(at)mitacs.ca if you require clarification.
   a. Mitacs recommends allowing 1-2 weeks to secure university signatures and confirm internal deadlines; interns are responsible for confirming any applicable deadlines with the Canadian university.
Application Package

All application documents must be submitted in English or French. Please number the file names accordingly.

1. Globalink Research Award application form (you may require the latest version of Adobe Reader)
   - The application form should not be scanned and must be submitted in its original, fillable format
   - Sections 6 & 7 may be submitted as a separate scanned PDF, if digital signatures cannot be obtained
2. Research proposal
3. Intern CV (on Mitacs template)
4-5. Letters of support from both participating professors. Both letters must:
   - Be written on university letterhead and be signed by the professor
   - Provide the supervisor’s title and department
   - Outline supervisory and/or financial support for the intern and project
   - Describe the intern’s academic and research qualities, outstanding achievements, and ability to complete the project
6. Host supervisor’s CV in English or French, including funding history, publications, and graduate interns supervised
   - Intern Code of Conduct and Ethics*
   - International Pre-Departure Form*

*These forms can be submitted after the submission of the application; however, funds will not be released until Mitacs receives these forms.

What Happens Next

1. Mitacs will contact participants about their proposal outcomes.
2. The intern provides the completed Mitacs Code of Conduct and Ethics and International Pre-Departure forms to Mitacs
3. Mitacs forwards the Globalink Research Award funds to the Canadian university’s Office of Research Services.
4. The intern departs to the destination and begins the research project
Eligibility

Interns

- Must be registered as full-time undergraduates, graduate students, or postdoctoral fellows at an eligible university or institution and remain as such throughout their Globalink Research Award
- Cannot undertake a research project at an institution where they have previously completed a degree and/or been employed
- Must be the legal age of majority in Canada (18 years of age or older)
- Must meet travel requirements for their intended destination, including visa and/or immigration requirements and associated documentation
- Cannot hold more than one Globalink Research Award per academic lifetime
- Undergraduate applicants must have completed their second year of studies prior to departure

Host Supervising Professors

- Must hold a faculty position at a Canadian university
- Must be eligible to supervise graduate students and hold Tri-Council funding

Home Supervising Professors

- Must be recognized faculty members at their institutions
- Must be eligible to supervise graduate students

Award Guidelines

All parties involved with the Mitacs Globalink program must comply with the Canadian university’s policies regarding the ethical conduct of research and scholarly activities. Any issues or disputes around research or academic misconduct will be subject to the Canadian university’s processes following their institutional policies.

Intern’s Responsibilities

- Make all necessary preparations for travel abroad with the appropriate university office(s)
- Obtain appropriate work permit for Canada
- Attend any mandatory sessions as required by the home university
- Work full-time on the research project
- Submit a final report and exit survey to Mitacs at the end of the project
Host Supervisor’s Responsibilities

- Adhere to institutional policies for visiting researchers
- Provide ongoing direction and research support to the intern prior to and during the research project
- Advise the intern on appropriate travel arrangements and accommodation
- Provide the intern with any necessary documentation to support the visa application
- Ensure the intern has appropriate lab and/or office space and resources during the research project
- Assume fiduciary responsibility for the Mitacs grant
- Submit an exit survey and sign the final report prepared by the intern

Home Supervisor’s Responsibilities

- Adhere to institutional policies for research abroad
- Provide ongoing direction and research support to the intern prior to and during the research project
- Submit an exit survey and sign the final report prepared by the intern

Adjudication

The Mitacs Globalink Research Award is competitive with limited awards available. All applications will undergo review by an interdisciplinary team. Proposals will be adjudicated based on the following criteria:

- *Expected benefit to the intern’s academic studies and research career*
- *Quality of the research proposal*
- *Level of supervision and mentorship committed by the host supervisor*
- *Strength of recommendation by the home supervisor*

4 Globalink Research Award – To Canada – Program Guide
Funding

- Mitacs issues the award letter after the intern has provided their International Pre-Departure and Intern Code of Conduct forms, respectively, and confirmed their project dates. Projects must begin within one year of the outcome letter being issued.

- Approved recipients will receive funds to support intern travel and accommodation expenses, research-related expenses, and intern stipend. Mitacs funds will be sent to the host university’s Office of Research Services (or equivalent) and administered as a research grant in the host supervisor’s name.

- Mitacs funds must be spent according to the proposal budget and Tri-Council eligible expenses.

- Funding is based on a project duration of 12 weeks, though projects durations of up to 24 weeks are acceptable. Applicants are encouraged to seek support from other funding sources for longer durations and use prudence when allocating funds to travel and accommodations.

Intellectual Property

Intellectual property is shared between the university and their researchers, in accordance with the relevant policies of the home university, unless a separate agreement is negotiated.

Deliverables

The following deliverables must be submitted to Mitacs no later than one month after the project concludes:

- A final report that summarizes the project.
  - The intern is responsible for drafting the final report and securing approval and signatures from the participating supervisor.

- Exit survey from the intern

- Exit survey from the host academic supervisor

- Exit survey from the home academic supervisor
